# Elementary students High Achievers

Elk Point Elementary School students received over 150 awards in recognition of their scholastic and sport achievements, good citizenship and sports prowess last Monday at the school's annual Awards Day ceremonies. Principal Don Conrad told the entire student body "we have been very proud of you throughout the year."

Conrad also expressed thanks to no less than 187 parent volunteers who have given their assistance to the school in numerous ways during the year. Diane Frankiw, President of the Education Support Council, presented a plaque of appreciation to volunteer Ida Maksymec for her assistance with the hot food program. Recognition was also given to Don and Sandra Woytkiw for their assistance with the hot food program and skating program.

Shelley Tymofichuk was on hand to present the Tracy and Carrie Bespalko Memorial Awards in memory of her late sisters. The Tracy Bespalko award went to Grade 5 student Darcy Stafford, while

Mark Ference, Grade 3, won the Carrie Bespalko award. These awards are given on

the basis of athletic achievement, ability, effort, sportsmanship and participation.

Also on an athletic note, Physical Education instructor Rob Boyd announced that the

Tigers were this year's Intramural Sports champions. The Tigers led the pack by 17 points after only one month of activities, and parlayed this into a 56 point lead by the end of May, ending up with a 904 point total. Spencer Easthope accepted the trophy on behalf of the Tigers. Tokens of appreciation were presented to the room representatives who helped with Intramurals, and all who had refereed during the year were given a round of applause.

Maureen Miller was in attendance on behalf of Dr. Ken Miller, Regional representative, to present plaques from the Alberta Dental Association to three Dental Health Month poster contest winners. Grade 5 students Jennifer Flanders and Daniel Wentworth placed first and third respectively at regional level, while Colton Hoffman was third for Grade 3 at regional level. These three entries went on to the Provincial level, with Daniel Wentworth placing second and Jennifer Flanders third for

**GRACE FRANKS AWARDS** - Mabel Dumont (front right) presented the annual Grace Franks Awards on behalf of her 98-year-old sister to this deserving group of students, on the basis of both academic prowess and good citizenship.

## Town needs hazardous waste guidelines

Elk Point Town Council heard from two delegations as part of their busy pre-summer agenda at the June 20 regular meeting.

The first delegation consisted of Andrew Boddy of E-

Can Oilfield Services and Pat Brodwin of Pan Canadian Petroleum, who came to discuss an oil spill, of undetermined origin, which was discovered in the Town's sewage lagoon on April 27. The cleanup bill

to date totals in excess of \$9800, and mention has been made of sharing this cost between the Town and the oil companies, although no decision has been made in this regard.

The spill, which has been identified only as having a diesel-like base, was small and relatively easy to contain and remove in a matter of hours, preventing its escape into the North Saskatchewan River.

Deputy Mayor Vern King thanked E-Can for their expeditious handling of the problem.

A second concern is to prevent future pollution of this nature from occurring. Boddy suggested that there is a need for a local committee on hazardous waste, which could formulate guidelines for its disposal and a spill response plan. Such communities as Lloydminster have strict inspection policies for oilfield businesses, Boddy said, adding that car washes are strictly regulated as well, to ensure they do not contribute to pollution.

It was felt that most of the businesses in Elk Point's industrial park are well aware of the need for careful handling of hazardous products

## What's happening on Canada Day?

Canada Day week is off to a great start, with good attendance at Sunday's inspirational and entertaining Gospel Concert. Now everyone is looking forward to Friday, July 1, when Elk Point's Canada Day Committee has a full day of activities planned to celebrate Canada's 127th Birthday.

**PANCAKE BREAKFAST** -- 8:30 to 10:30 a.m. on Main Street, next to Home Town Grocers. The breakfast is sponsored by the Elk Point Chamber of Commerce, who invite you down to enjoy pancakes, sausages, coffee or juice with them. A silver collection is being taken to help defray expenses.

**PARADE** -- 11:00 a.m. assembles north of the A. G. Ross Arena, except for horses, which assemble at the far north end of 51 Street) at 10:00 a.m. for judging at 10:30. Judging categories are: Children's Clubs and Organization, Adult Clubs and

Organizations, Commercial, Industrial, Horses and Riders, Pioneer Vehicles (antiques and carriages), Individual Freestyle and Canada Day Theme: 'Families - The Heart of the Matter.' The Decorated Bikes category has prizes of \$20, \$15 and \$10, PLUS the names of all bike participants go into a draw for great prizes.

**STAGE SHOW** -- 2:00 p.m. indoors at the A. G. Ross Arena, so you don't get showered on or sunburned. Be entertained by a great lineup of local talent, and enjoy a piece of Canada Day Birthday Cake courtesy of the OORP.

**DANCE AND BEERFEST** -- 9:00 p.m. at the A. G. Ross Arena. Elk Point Agricultural Society presents another of their great Double Bandstand spectaculars, featuring Moose Mountain and 52nd Street, to complete the day in great style.

and do act responsibly, with large storage tanks for materials washed out of trucks, etc., which are later disposed of at appropriate sites. Boddy said that a group of oil company representatives, who met with representatives of the Town and ERCB recently, supported a low-profile plan to inspect the premises of these businesses on a periodic basis, to ensure adequate precautions are taken to prevent future contamination.

The second delegation was from the A. G. Ross Arena Operating Committee. Kevin Bjornstad and Ron Johnson were on hand to outline their group's plan to purchase the arena from the Agricultural Society. Representatives of the Operating Committee, Fairgrounds Committee and Ag Society were scheduled to meet June 24 to start negotiations.

"We want to make sure both groups survive," Bjornstad said, noting that "some

people want to work for just one or the other." His committee operated the arena during the past season on a break-even basis and came out "financially on our feet," Bjornstad said, even without the Town's operating grant which went to the Ag Society as it has customarily done. The Mayor indicated that this grant, aimed at helping with arena operating costs, would still be forthcoming to the group which operates the arena in the future.

Mayor Buck said he appreciated the effort the Operating Committee is putting into

ensuring the arena would be in operation for the use of Elk Point residents, and thanked the delegation for bringing the information to Council.

Council deferred discussions on upgrading of the Town Office until further estimates are obtained and taken to the Public Works Committee.

It will be business as usual for Council this summer, with no seasonal break in the regular meeting schedule.

Success is getting up just one more time than you fall down.

Stoney Lake Poet and Philosopher

Throw more wood on the campfire, boys,  
You dudes don't sit too close or you'll roast,  
I will tell you a story of a great bucking horse,  
They called him Drobot's Grey Ghost.

At the Stoney Lake Stampede in 'sixty-three  
A bronc rider from Hylo, Alberta came  
After the draw what Robbie MacDonald saw  
Chilled his blood, but he was game.

He saddled for the ride on that silvery hide  
While the bronc snorted and pawed inside,  
Cowboys stood around the chute watching the brute -  
It was like saddling a mountain snowslide.

The crowd held their breath in suspense  
As they gathered outside the fence  
Robbie mounted, nodded his head, said 'outside,'  
Chute gate swung open wide, Oh Lord, what a ride!

The grey leaped for the sky, six feet high,  
Swapped ends without touching the ground,  
He sunfished and ducked, my gosh how he bucked,  
Could the rider make the ten second round?

Grey Ghost reared, twisted, jumped, the rider was dumped  
Underneath the flying hooves of the bronc;  
Battered and crushed, Robbie was rushed  
For medical aid and a hospital bunk.

His hand beyond repair, the trademark is still there,  
Robbie later a rodeo stock contractor became,  
He is doing very well as this story I tell  
For he just loves the rodeo game.

As for the Grey Ghost, he became a storied toast  
Rented out to the Silver Spurs rodeo company,  
For three summers on the go from stampede to rodeo  
The great buckner people came for miles to see.

One day to Stoney Stampede came, following the rodeo  
game,  
An Elk Point cowboy, Dave Kenyon his name,  
Drew the Ghost's name, do or die or fame,  
The luck of the draw he could blame.

The spectators well tell who saw it so well  
Davy rode the great horse to the bell,  
Spurred the Ghost down to size, awarded the prize,  
Around the campfire the story will dwell.

After that ride, the Ghost quit, that was it -  
He refused any more to buck like before -  
As owner of Grey Ghost I was sorry, end of story.  
Throw a chunk of wood on the fire before we retire  
Or let's have a singsong instead.

### TENNIS NEWS

**Linda Shmyr**

Hi, everyone! Wow! The Elk Point tennis courts were hot this past Friday! Six senior and junior high school students participated in a friendly but competitive round robin tournament. We had to delay half the tournament until a later date due to the rain. Next week I will have the winners of the tournament.

All this rain leads me to this week's **TENNIS TIP** - Do not play tennis during an electrical storm!?!?!?

Call Linda for any information at 724-3853.

## What's News at the Library

**Michele Duczek**  
Librarian

After all that rain I was sure a lot of people would be coming in to borrow books on ark building. This past week, however, has dried things out nicely. (Editor's Note: Michele sent this in before Friday's downpour, when some of us needed an ark just to get from our car into our office!)

## In Memoriam

**SMITH, Violet**

In loving memory of our dear Granny, Violet Smith, who passed away July 2, 1993.

To a good life came a peaceful end.  
She died as she lived, everyone's friend,  
Upright and just in all her ways  
Loving and kind to the end of her days.  
We saw her suffer, heard her sigh,  
We could do nothing but sit close by,  
We have lost, but heaven has gained,  
Once of the best the world contained.

Forever in our hearts and always on our minds. Your grandson and his family - Dan, Marge, Melissa and Danielle Smith.

A few new books adorn our shelves this week. The first is
